## **Rights of Authors**

The i-CREATe 2020 Conference recognizes the retention of the following:

- Patent and trademark rights and rights to any process or procedure described in the article.
- The right to photocopy or make single electronic copies of the article for their own personal use, including for their own classroom use, or for the personal use of colleagues.
- The right, subsequent to publication, to use the article or any part thereof free of charge in a printed compilation of works of their own, such as collected writings or lecture notes.

**Note:** All copies, paper, electronic or other use, of the information must include an indication of the i-CREATe 2020 copyright and a full citation of the journal source. Please refer requests for reprints to the corresponding author, and requests for all other uses not covered above, including the authorization of third parties to reproduce or otherwise use all or part of the article (including figures and tables) to [icreate2020.tw@gmail.com](mailto:icreate2020.tw@gmail.com)

## **Authorship**

- If the article was prepared jointly with other author(s), the signing author has informed the co-author(s) of the terms of this copyright transfer and is signing on their behalf as their agent and represents that he or she is authorized to do so, then please confirm by checking the appropriate box following the signature line. The signing author shall bear the responsibility for designating the co-author(s) and must inform the i-CREATe 2020 Conference of any changes in authorship.

**Warranties:** The author(s) warrant(s) that the article is the author's original work and has not been published before. The author(s) warrant(s) that the article contains no libelous or other unlawful statements, and does not infringe on the rights of others. If excerpts from copyrighted works are included, the author(s) has (have) obtained or will obtain written permission from the copyright owners and will credit the source in the article.

**Preprints:** The author(s) agree that if a prior version of this work (normally a preprint) has been posted to an electronic public server, they will not update and/or replace the prior version in order to make it identical in content to the final published version.
